

PARENT SURVEY | “libraries = education”

Extended reality (XR) is an umbrella term used to describe real and virtual environments created with technology. Extended reality includes **augmented reality (AR)** and **virtual reality (AR)**. Virtual reality creates a new digital environment that the user enters, creating a feeling of immersion and presence (being there).

1. **Are you a** (select one)

☐ Parent ☐ Caretaker ☐ Other (please specify) _____

2. **Can you describe how your child used XR in the library?**
